

February IB Learner Profile Attribute Award: REFLECTIVE

This award is presented to

Autumn Thelen

who was selected by peers and teachers for exemplifying the REFLECTIVE attribute of the IB Learner Profile.

Mr. Doherty - "Autumn is not only ultra-conscientious about due dates and quality of her work, but she also consistently takes my critiques and uses them to make her work even better. At the start of the year, she was an exemplary IB High School Student, but now, she is demonstrating all the attributes and work ethics of a true College Level Learner."

Mr. Olsen - "When I think of what it means to be a "reflective" learner, I think of Autumn. Day after day I see her in research, quietly going about her studies. She's very deliberate in what and how she studies, she works to understand her own strengths and weaknesses in order to become more efficient and a very conscientious learner."
